Nightlife in London

London is a multicultural city with a thriving nightlife scene. There are many pubs, clubs, concerts, theatres and festivals **for you to** enjoy.

But nightlife in London is not just about the pubs and clubs. London is also famous for its theatres in the West End. You can get some **great** deals on the Internet for theatre tickets and meals before, or after, the show.

London hosts many festivals throughout the year. The Camden Crawl Music Festival is an indie festival held in 50 different locations around Camden. Notting Hill Carnival is an annual event held in August.

Greatlocal area

Elephant and Castle is a great area in London. There are bars, restaurants and coffee shops where you can spend your free time relaxing or having a meal or a drink with your friends.

A few minutes' walk away from the school, there is a lovely big park with a lake. You can walk around, have a picnic and feed the ducks. In the summer you can have a barbecue if you want to.
